*Former Board Chairman

Dear Auction Donor:

This year as Life Skills celebrates their 46th year of changing lives in the St. Louis Community for people with developmental disabilities, they are even more thrilled to announce a milestone year, celebrating the **25th Anniversary** of the **Tee it Up! Annual Golf Tournament & Dinner Auction**. Please share our jubilation by making a contribution to this single largest annual fund raising Golf Tournament & Dinner Auction...

I request a donation of an auction item for Life Skills' 2010 Golf Tournament dinner auction. One-hundred percent of the proceeds resulting from your contribution will fund programs and services Life Skills provides for more than 1,400 youths and adults with developmental disabilities.

The Golf Tournament is **Monday, July 26, at Meadowbrook Country Club!** I am pleased that the volunteer leadership for this event includes Honorary Chair **Bernie Federko**, a former St. Louis Blues player and Hockey Hall of Fame inductee. The event co-chairs are Mark Ianni, a former member of the Life Skills Board of Directors and Les Wagner, a current member of the Life Skills Board of Directors.

Life Skills changes lives by helping people with developmental disabilities find meaningful work and live in a home of their own in the community. We give our clients and their families *hope for the future*. With each accomplishment and our ongoing support, clients become more self-sufficient, increase self-esteem and *live with dignity*. **Everyone deserves to live in a home of their own, maintain a job, make friends, learn new skills and contribute to his or her community.** Life Skills provides these opportunities for people with developmental disabilities through a variety of services.

Thank you in advance for your support and donation. Please contact the Development Department anytime to arrange for pick up or delivery of your donated item(s). If you have any questions, please call Micki Keim at Life Skills at (314) 567-1067, extension 1312.

Thank you very much for your support!

Sincerely,

Donna Hibler, *Auction Chair*
Vice Chairman Development, Life Skills Board of Directors
